\_\_\_\_\_ being first duly sworn, deposes and says that:

1. I am over eighteen (18) years of age and have personal knowledge of the information contained within this affidavit.
2. I no longer have access to F-Response Dongle(s) # \_\_\_\_\_ because it has been lost or stolen. This is the "misappropriated Dongle(s)".
3. I understand that I can purchase a "replacement Dongle" for \$75 which covers the cost of physically replacing each "misappropriated Dongle", but does not include the software license to use any F-Response software.

I understand that the "replacement dongle" shall at that time become the legally licensed F-Response Dongle, and that the F-Response software license for the "misappropriated Dongle(s)" shall become null and void.
5. I further understand that, following transfer of the software license to the "replacement Dongle(s)", anyone using the "misappropriated Dongle(s)" is in violation of the F-Response license terms and shall be deemed to be using pirated F-Response software.
6. If found or returned to me, I shall immediately return the "misappropriated Dongle(s)" to F-Response at the address atop this letterhead. If I become aware of its location but cannot take possession, I shall immediately report the location details to F-Response at the address atop this letterhead, or via email to [support@F-Response.com](mailto:support@F-Response.com).
